Northfield School is a large 11–16 school and specialist sports college. We are an ambitious and inclusive school with state of the art facilities and interactive technology in a well-resourced newly refurbished main building and a separate new Year 7 school.

Following an inspection in January 2020, Ofsted judged that the school continues to be good and acknowledged all the positive work being undertaken to improve it further. This is a great time to join the school.

The school is seeking to appoint a cleaner who is able to work to set procedures and guidelines to ensure that designated areas of the school are kept clean, hygienic and safe for staff and pupils. The successful candidate will have a commitment to achieving high standards of cleanliness and hygiene. An ability to work as part of a team and to work to deadlines is essential.

We can offer you:

- an enthusiastic and supportive team
- a staff health and well being programme
- a warm, friendly and positive working environment where everyone is valued

**An official application form and further details are available on our web page
