

# Library Monthly

Learn, Discover, Imagine, Read

November 2020

Our School Library is now online! Students can access the library catalogue from home and reserve their books to collect in school. Go to the school website—curriculum—School Library Online and login with your school email address. On Library online you can also set up a reading list, review books that you have read, check Accelerated Reader book levels, find out about your favourite authors, and use Weblinks for reliable websites to help with your homework. Need any help just speak to Mrs Cady or Mrs Green or email us [library@northfieldssc.org](mailto:library@northfieldssc.org)

It's Non-Fiction November and everyone who borrows and if doing AR quizzes on a Non-Fiction book this month they have the chance to win a prize. Check out the library displays to choose a book, Year 7 can find plenty of Non-fiction on the shelves in room 713.

Why not share a fun fact that you have learnt with Mrs Cady or Mrs Green when you have finished your books.

In November we remember the brave men, women and animals who gave their lives during the First and Second World Wars so that we can be free.

We have a selection of fiction and non-fiction books that portray the horrors of war, as well as some very moving and insightful poetry by the 'war poets'. LEST WE FORGET.

Author of the Month

**Michael Morpurgo**

Michael Morpurgo is best known for his book War Horse but has written nearly 100 books and is one of the most borrowed authors in our school library. Michael started off in the army and was a teacher before becoming an author. He was Children's Laureate from 2003 to 2005. Earlier this year he published a letter to his readers;

*'Let's read our way through these times, write our stories and diaries, sing our songs. Then we'll be ready afterwards to pick up our lives and go on, not as we were, but down a better road, arm in arm, in case we stumble, in case we lose our way.'*

**read!** Anytime. Anywhere. Anyhow.
